

2025 FOUNDATION ENROLMENT PROCESS

DIGITAL FOUNDATION ENROLMENT PROCESS 2025

This year the Department of Education will use an online system for new enrolments in some Victorian Government Schools. All primary schools in Inner East and Outer East areas of the Northeast Victoria Region are using this online system. Waverley Meadows Primary School is excited to be part of the digital enrolments.

The online system will be available for parents who are applying to enrol their child in Foundation (Prep) for 2025. An application form can be completed on laptops, PC's and mobile phones. The online system will also allow you to upload documented proof of residential address and birth certificates.

It is important to note that the placement policy is followed by all government schools. You can view the placement policy [Enrolment: Policy | education.vic.gov.au](https://www.education.vic.gov.au/enrolment/policy). Your chances of being offered a place in the schools you apply for are not advantaged or disadvantaged by using this system.

Victorian government school enrolments for Foundation (Prep) for the 2025 school year will open from Monday 15 April 2024, the start of Term 2. Families are asked to submit enrolment applications by Friday 26 July 2024. The link to apply for a place online at this school will be available on this site from the beginning of Term 2 (April 15).
